

IRREGULAR PAST SIMPLE BOARD GAME

English Language
Beginner (KS1/2)

Learning outcomes: Students are able to use irregular past simple verbs in sentences and questions.

Game instructions

- Put students in small groups.
- Give students a dice and counters each.
- Ask one student to roll the dice and move their counter the correct number of spaces.
- If they land on a square with a verb, they must say the past simple form of the verb.
- If they land on a 'Make a sentence' square, they must say a past simple sentence with the verb given.
 - If they land on an 'Ask a question' square, they must ask a question to another member of the group using the verb given.
 - If they land on a 'Right or wrong?' square, they must decide if the sentence is grammatically correct or not. If it's not, they should correct it.
 - If the student is successful, they can stay where they are. If they aren't correct, they should move back to their previous position on the board.
 - The first student to reach the end of the board wins!
