

COUNTRIES AND NATIONALITIES

Geography
Beginner (KS1/2)

Learning outcomes: Pupils will be able to name countries and their nationalities around the world.

Instructions

- Print “Countries and Nationalities” sheet (page 2).
- Review names of countries and nationalities with class.
- Ask pupils to complete the map with the missing countries and nationalities.
- Ask pupils to add their own home country to the map with the nationality of this country.
- Get pupils to ask their partner and other members of the class where they are from and add them to the map.

Materials required:

- “Countries and Nationalities” sheet (page 2).

Tip!

Make a class map including the home nations of all pupils to display in the classroom.

Do you have an EAL resource idea? If so, we’d love to hear from you. Send your resources/ideas/sketches to team@flashacademy.com and if selected, we’ll design it up for you and share it with the EAL community.

More resources like this available on the FlashAcademy Dashboard at edu.flashacademy.com.

I. Complete the map with the countries and nationalities.

2. Your turn! Where are you from? Label your home country on the map. Ask your partner and label their home country on the map.

Where are you from? I'm from Spain.

What is your nationality? I'm Spanish.
