Do you have an EAL resource idea? If so, we'd love to hear from you. Send your resources/ideas/sketches to team@flashacademy.com and if selected, we'll design it up for you and share it with the EAL community.

More resources like this available on the FlashAcademy Dashboard at edu.flashacademy.com.

SETTING

Draw a picture of where your story takes place. What can you see?
Label your picture and use describing words.

CHARACTERS

Draw and label your main character.

Describe your main character. How does your character behave?

What problem does your main character experience?
How are you going to solve the problem?

Who are the other characters in your story?
Draw them and write about them. What is their role in your story?
How do they behave?

TIME CONNECTIVES

How does your story begin? Think of a time connective to start your story.

Practise!

Write your opening sentence.

What happens in the middle of your story?
Think of a time connective to use in the middle of your story.

How is your story going to end? Will it have a happy or sad ending? Think of a time connective to use at the end of your story.

Practise!

Write your ending sentences. Do not forget to finish your story off with a bang!

This image shows a blank sheet of white paper with horizontal blue ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

REFLECTION

How are you feeling about your ideas? Circle an image that describes how you feel.

What could you do to make your story even better?

Write your story.

A series of horizontal blue lines for writing, spanning the width of the page.

FlashAcademy®

for home learning

With home learning becoming increasingly important, it can be challenging to ensure all ability levels and needs are catered for.

Our award-winning language learning platform is the perfect home-learning support tool for pupils with EAL and all pupils with literacy or MFL needs.

Quick to set up

We can get you onboarded immediately!

Easy to Access

On PC, Tablet and smartphone

Simple to track

Track all pupil progress and set work remotely

During school closure, FlashAcademy® is forming a central part of our strategy of how we continue the learning process, albeit in a virtual way. Children love it so much that the usage is continuing at home with their families, on tablets, PC's, laptops and phones, all in a way we can easily track.
