After school, I pack my backpack for the next day. I pack my pencil case with my pencils, eraser and ruler. I also pack my notebooks and books. I don't forget to prepare a snack because I'm often hungry in the morning, especially when we do sport.

Notre école est assez stricte. On doit porter un uniforme. Tous les jours je porte un pull rouge et un pantalon gris. Tout le monde doit aller au tableau pour réciter une partie de la leçon. Hier, mon ami n'a pas appris sa leçon, le professeur n'était pas content.

Our school is quite strict. We must wear a uniform. Every day I wear a red sweater and grey pants. Everyone must go to the board to recite part of the lesson. Yesterday, my friend didn't learn his lesson, the teacher wasn't happy.

Après l'école, je prépare mon sac à dos pour le lendemain. Je mets ma trousse avec mes crayons, ma gomme et ma règle. Je mets aussi mes cahiers et mes livres. Je n'oublie pas de préparer un goûter car j'ai souvent faim dans la matinée, surtout quand on fait du sport.

My name is Carla and this is my first year at university. I study psychology and I like it a lot. I also really enjoy campus life as I participate in the theatre club. Next year I hope that I will be able to help defend students' rights by joining the union committee. I think it is very important to participate in the development of the university.

Même si c'est important d'étudier à l'école, tu n'es pas obligé d'aller à l'université. Tu peux trouver un apprentissage et faire le métier qui te plaît réellement. Par exemple, si tu veux être coiffeur ou coiffeuse, tu devras trouver un salon de coiffure où travailler et une école spécialisée où aller. Tu gagneras rapidement de l'expérience.

Although it is important to study in school, you don't have to go to university. You can find an apprenticeship and do the job you really like. For example, if you want to be a hairdresser, you will have to find a hair salon where you can work and a specialized school to attend. You will quickly gain experience.

L'année prochaine j'espère que je pourrais aider à défendre les droits des étudiants en rejoignant un syndicat. Je pense que c'est très important de participer au développement de l'université.

The head teacher in my school is very strict. We have to get good marks in maths and English. These subjects are very important. I sometimes find maths difficult. My favourite subject is art. Next year I want to learn Spanish because foreign languages are useful.

L'année dernière, nous sommes partis en voyage scolaire en Autriche. Un jour, nous avons visité une école. C'était très différent d'ici. D'abord, il n'y avait pas d'uniforme. La plupart des élèves portaient des jeans. Je trouve ça beaucoup plus confortable que mon pantalon noir. De plus, ils finissaient l'école plus tôt.

Last year we went on a school trip to Austria. One day we visited a school. It was quite different from here. Firstly, there was no uniform. Most pupils were wearing jeans. I find that much more comfortable than my black trousers. Furthermore, they return home earlier at the end of the day.

Le directeur de mon école est très strict. Nous devons avoir des bonnes notes en maths et en anglais. Ce sont des matières très importantes. Je trouve les maths difficiles parfois. Ma matière préférée est l'art. L'année prochaine je veux apprendre l'espagnol car les langues étrangères sont importantes.
